Dear Sir/Madame

This is in reply to the application for certification.

I have reviewed the related documents, and am pleased to advise that this device meets our procedural and specification requirements for certification. The field offices have been notified.

Certificate(s) are attached for the following model(s):

AIMS MIV

The assigned certification number must be shown on each equipment model. This certification identification information may be shown on the equipment model identification plate or on a separate label that shall be indelible and tamper proof. The certification number shall be prefixed with the letters "IC:". Radio equipment is certified as described on the attached certification certificate.

A website has been established which includes the status of applications.

The address is <http://spectrum.ic.gc.ca/~cert>

Sincerely,

**Gabriel H. Clavel, C.E.T.
